MAYOR GARCETTI FINDS A LOT TO LIKE ABOUT **MEASURE S**

September 5, 2016

ERIC GARCETTI
MAYOR

“Developers and their special interest lobbyists must no longer be permitted to choose the consultants who literally write their Environmental Impact Reports for their own developments.”

“I agree.”*

“There must be a clear and transparent process, including fast-tracked deadlines, for crafting the new Los Angeles General Plan...”

“Again, I agree.”*

“Spot zoning exceptions to the General Plan... must become the rare exceptions to the rule...”

“I agree.”*

“Ex parte communications... must be eliminated.”

“Again, I agree.”*

Sincerely,

ERIC GARCETTI
Mayor
