**PUBLIC WORKS - BUREAU OF ENGINEERING  
REVISED CONFLICT OF INTEREST CODE  
SCHEDULE "B" - DISCLOSURE CATEGORIES**

**GENERAL PROVISION**

A designated employee is required to disclose that he or she is a director, officer, partner, trustee, employee or holds any position of management in a business entity if he or she would be required to disclose income from that entity. Income includes loans and gifts.

**CATEGORY 1**

Any investment, interest in real property (located within the City of Los Angeles, not more than two miles outside the boundaries of the City, or within two miles of any City facility other than a Department of Water & Power right-of-way), or income, as defined by this Code.

**CATEGORY 2**

- A. Any investment in, income from, or business positions with any person or business entity engaged in:
1. Engineering or engineering contracting,
  2. Construction contracting, or
  3. Land development and/or land subdivision.
- B. Any interest in real property located within the City of Los Angeles, not more than two miles outside the boundaries of the City, or within two miles of any City facility other than a Department of Water & Power right-of-way.

**CATEGORY 3**

- A. Any investment in, income from, or business positions with any person or business entity which, in or with the City of Los Angeles:
1. Purchases, sells, transfers, or engages in any other type of transaction involving municipal special assessments;
  2. Engages in real estate brokerage;
  3. Engages in title search or insurance;

**CATEGORY 3 (contd.)**

4. Owns an interest in real property;
  5. Engages in construction of special assessment improvements.
- B. Any interest in real property located within the City of Los Angeles or not more than 1,000 feet outside the boundaries of the City.

#### CATEGORY 4

- A. Any investment in, income from, or business positions with any person or business entity which offers architectural or engineering design or use planning services, or services of a professional nature which directly support those services such as graphics, engineering economics, soils analysis, materials testing, interior design, color coordination, and specification preparation.
- B. Any investment in, income from, or business positions with any person or business entity engaged as a manufacturer, wholesaler or retailer of materials, services or equipment which are commonly specified in plans, specifications or requisitions for use in building construction, modification, maintenance or operation.
- C. Any interest in real property within the jurisdiction of the City of Los Angeles, except for personal residence.
- D. Any investment in or income derived from any person or business entity licensed as a contractor in the State of California or offering services related to construction by contract such as estimating, scheduling, engineering economics, equipment rental or employment agencies which may provide personnel to contractors.
- E. Any investment in or income derived from any person or business entity engaged as a manufacturer, wholesaler, or retailer of materials, services, or equipment commonly used in the construction of buildings and facilities.
- F. Any interest in real property owned by or used by a business entity or individual for purposes listed in "4" or "5" above.

#### CATEGORY 5

Public Works - Bureau of Engineering  
COI Code Schedule B - page 3

- A. Any investment in, income from, or business positions with any person or business entity which offers architectural or engineering design or use planning services, or services of a professional nature which directly support those services such as graphics, engineering, economics, soils analysis, materials testing, interior design, color coordination, and specification preparation.
- B. Any investment in, income from, or business positions with any person or business entity engaged as a manufacturer, wholesaler or retailer of materials, services or equipment which are commonly specified in plans, specifications or requisitions for use in building construction, modification, maintenance or operation.
- C. Any interest in real property within the jurisdiction of the City of Los Angeles, except for personal residence.

**CATEGORY 6**

- A. Any investment in or income derived from any person or business entity licensed as a contractor in the State of California or offering services related to construction by contract such as estimating, scheduling, engineering economics, equipment rental, employment agencies which may provide personnel to contractors.
- B. Any investment in or income derived from any business entity engaged as a manufacturer, wholesaler, or retailer of materials, services or equipment commonly used in the construction of buildings and facilities.
- D. Interest in real property owned by or used by a business entity or individual for purposes listed in Item A or Item B, Category 6, above.

**CATEGORY 7**

- A. Any interest in real property or any investment in income from any person or business entity located within a "projected area", or not more than one-quarter mile from a "project area". "Project area" is that area within which any City of Los Angeles, Public Works project is currently under way or is currently planned, other than the Department of Water and Power, Harbor or Airports.

**CATEGORY 7 (contd.)**

- B. Any investment in or income from any person or business entity which engages in a business

located on City-owned property.

- C. Any investment in, income from, or business positions with any person or business entity which leases or manages residential property located within the City of Los Angeles.
- D. Any investment in, income from, or business positions with any person or business entity engaged in any of the following business entity engaged in any of the following businesses:
  - 1. Real Estate Brokerage,
  - 2. Title Search or Ins., or
  - 3. Real Estate Appraisal.

**CATEGORY B**

- A. Any interest in real property, or any investment in or income from any person or business entity located within a "project area", or not more than one-quarter mile from a "project area". "Project area" is that area within which any City of Los Angeles, Public Works project is currently under way or is currently planned, other than the Departments of Water and Power, Harbor or Airports.
- B. Any investment in, income from, or business positions with any person or business entity which:
  - 1. Provides architectural services.
  - 2. Is a building construction contractor or subcontractor (other than a landscaping contractor).
