**CAMPAIGN FINANCE ORDINANCE**  
(Article added by Ord. No. 165,607, Eff. 4/21/90, Oper. 7/1/91)

An ordinance providing detailed regulations concerning public financing of campaigns for elective City office, imposing limitations on campaign contributions and imposing limitations on expenditures by candidates accepting public funds.

THE PEOPLE OF THE CITY OF LOS ANGELES  
DO ORDAIN AS FOLLOWS:

Section 1. Chapter 4 of the Los Angeles Municipal Code is hereby amended by adding a new Article 9.7 thereto to read:

**ARTICLE 9.7 - Campaign Financing**

**SEC. 49.7.1. Relation of Regulations to Sections 470 and 609 (e) of the City Charter.** (Amended by Ord. No. 175344; Eff. 8/16/03)

The provisions of this Article relating to contribution limitations are in addition to and supplement the regulations contained in Charter Sections 470 and 609 (e). The provisions of this Article relating to public financing and expenditure limitations are adopted pursuant to the authorization contained in Charter Section 471.

**SEC. 49.7.1.1. Definitions.** (Sec. Added by Ord. No. 175344; Eff. 8/16/03)

The following terms used in this article shall have the meanings set forth below. Except as otherwise provided here, the terms and provisions of this article shall have the meanings and shall be interpreted in accordance with the applicable definitions and provisions of the Political Reform Act of 1974, as amended (Government Code Section 81000, *et seq.*) and the regulations of the California Fair Political Practices Commission, as amended.

**“Candidate or Committee Agent”** means any person who has express or implied authority to make or to authorize the making of expenditures on behalf of the candidate. There shall be a rebuttable presumption that the following have that authority: current or former officers of the candidate-controlled committee, employees of the campaign, persons who have received compensation or reimbursement from the campaign, or any person who has been placed in a position within the campaign organization where it would reasonably appear that in the ordinary course of campaign-related activities he or she may authorize expenditures. A candidate’s agent is also any person who is serving or has served in an advisory, decision-making, or strategic role with a candidate’s campaign, with or without compensation, where that person’s duties and/or actions reflect or require direct knowledge of the candidate’s campaign strategy, plans, or needs.

**“Elective City Officer”** means any person who is a City Council Member, City Attorney, Controller or Mayor, whether appointed or elected.

**“Independent expenditure”** means an expenditure made by any person in connection with a communication that expressly advocates the election or defeat of a clearly identified candidate; or, taken as a whole and in context, unambiguously urges a particular result in an election, but which is not made to or at the behest of the affected candidate or committee.

**“Member communications”** means payments made pursuant to Government Code Section 85312.

(a) For purposes of this article, payments for member communications that are behested by candidates, with the exception of payments for a regularly published newsletter or periodical limited solely to individual members not exceeding the amount of payments regularly made to publish a regular newsletter or periodical, shall be considered contributions to that candidate or candidate controlled committee for purposes of the City contribution limits contained in Charter Section 470 (c) and City reporting requirements.

(b) For purposes of this article, member communications that are not behested by a candidate, a candidate’s controlled committee, or an agent of a candidate or a candidate’s controlled committee are not considered contributions to a candidate.

(c) Member communications that are not behested by a candidate, a candidate’s controlled committee, or an agent of a candidate or a candidate’s controlled committee and are not payments for a regularly published newsletter or periodical limited solely to individual members and do not exceed the amount of payments regularly made to publish a regular newsletter or periodical, are considered expenditures and are required to be reported pursuant to Section 49.7.26 of this Code.

**“Non-Candidate Spending”** means any combination of independent expenditures and/or member communications that are not behested by a candidate.

**SEC. 49.7.1.2. Cost of Living Adjustment.** *(Sec. Added by Ord. No. 175344; Eff. 8/16/03)*

Every five years, the City Ethics Commission shall review whether the expenditure limitations contained in Sections 49.7.12 A 6 and 49.7.13 and/or the contribution limitations contained in Charter Section 470 (c) should be adjusted to reflect changes in the Consumer Price Index (CPI) for the Los Angeles-Long Beach Metropolitan Statistical Area. The first review shall begin at the end of the calendar year 2007. If the contribution and/or expenditure limitations are not adjusted during any review period, the limitations

may be adjusted in a subsequent five-year review period, up to the overall increase in the CPI since the last adjustment. Any change to the contribution and/or expenditure limitations shall be effective for any subsequent election for which the fundraising period has not yet opened as provided in Section 49.7.7. The City Ethics Commission shall forward a report with its findings to the City Council by March 1, following each review.

5.

(a) No elective City officer or his or her officeholder expense fund shall solicit or accept or cause to be solicited or accepted any contribution that would cause the total of either the amount of contributions from all persons to an officeholder expense fund or the total outstanding balance of the fund during any fiscal year to exceed \$75,000.

7. After the elected City officer has filed a “**Declaration of Intent to Solicit and Receive Contributions**” in connection with any future election for elective City office, or during the twelve months prior to the date of the election on which the elected City officer's name will appear on the ballot at a primary nominating or general municipal election, whichever comes first, officeholder expense funds shall be expended only for:

(a) those purposes set forth in paragraphs (a), (b), (c), (d), (f)(2), (g) (when in conjunction with Internal Revenue Code 501(c)(3) tax exempt organizations), (h), (i), (j), (k), (n), (o), (p), (q), (r), (s), (t), (u), (v) of subdivision 2 for this subsection;

(b) any mailing of 200 or fewer substantially similar pieces to persons within the official's district which provides information related to City business; or

(c) any mailing of more than 200 substantially similar pieces which provides information about City business, if the piece:

(1) does not contain an elected official's photograph, and;

(2) does not contain an elected official's name, other than:

- (i) as part of an official's electronic mail or internet address,
- (ii) once on a letterhead, logotype or form, and
- (iii) once on the envelope.

8. Notwithstanding Subdivision 7 above, no mailing may be produced or sent at officeholder expense between the time the elected City officer has filed a "Declaration of Intent to Become a Candidate" for any elective City office and the date of the election at which the person appears on the ballot.

9. No expense for personal services shall be incurred by an officeholder expense fund committee unless the committee first enters into a written contract for such services. Such contract must set forth the services to be performed and the amount that will be paid for such services (or a basis for calculating such amount).

## **B. Legal Defense Fund**

1. Every elected City officer or candidate for elective City office shall be permitted to establish and maintain one Legal Defense Fund.

2. In addition to contributions received in connection with an election to an elective City office or to defray officeholder expenses, an elected City officer or candidate for elective City office who receives contributions for a legal defense fund, may use those funds solely to defray attorney's fees and other legal costs incurred in the officer's or candidate's legal defense to one or more civil or criminal court cases, or administrative proceedings, arising directly out of the conduct of an election campaign, the electoral process or the performance of the officer's governmental activities and duties.

3. The officeholder or candidate shall file with the City Ethics Commission a "**Statement of Purpose**" identifying the specific civil or criminal court case, or administrative proceedings, for which the Legal Defense Fund is established. The "**Statement of Purpose**" shall be filed before any contributions are solicited and/or accepted.

4. The Legal Defense Fund shall be named: **"The (name of candidate or officeholder) Legal Defense Fund"**.

5. No person shall make, or no elected City officer or candidate shall solicit or accept from any person, contributions totaling more than \$1,000 during a fiscal year to a Legal Defense Fund in connection with any single court case or administrative proceeding as identified in the **"Statement of Purpose"**. (Amended by Ord. No. 172,481, Eff. 4/10/99, Oper. 7/1/99.)

6. No legal defense funds remaining after any court case or proceeding in connection with which the funds were raised may be transferred to any other fund or committee. Within six months after final conclusion of the lawsuit or proceeding and the payment of all debts incurred in connection with that lawsuit or proceeding, any surplus legal defense funds may be used in connection with any other lawsuit or administrative proceeding brought against the elected City officer or candidate for the purpose stated in Subdivision 2, or may be returned to donors on a pro rata basis or given to the City's General Fund.

7. This section shall constitute the sole authority for soliciting or accepting donations for legal costs for the defense of an action relating to an election campaign, electoral process or an officer's conduct in office.

### **C. Single Controlled Committee and Bank Account**

1. Each elected City officer or candidate who wishes to make expenditures for the purposes set forth above for either the officeholder expense fund or the legal defense fund shall establish a single controlled committee from which all such expenditures shall be disbursed. Each of the funds shall be considered a subaccount of the controlled committee. If a contribution is designated by the contributor as a contribution to the legal defense fund, then the contribution shall be credited to that fund. If a contribution is designated by the contributor as a contribution to the officeholder expense fund, or if the contribution is not designated as a contribution to either fund, then the contribution shall be credited to the officeholder expense fund.

2. The committee shall establish one checking account at an office of a financial institution located in the City of Los Angeles for the officeholder expense fund and legal defense fund. The account shall serve as the depository account for all contributions received in connection with the officeholder expense fund and the legal defense fund, and all such contributions shall be deposited into such account.

### **D. Contribution Limits**

A contribution to the officeholder expense fund or the legal defense fund shall not be subject to any other contribution limitations contained in the City Charter or a City ordinance, except as provided in this section.

### **E. Disclosure**

1. Elected City officers, candidates and committee treasurers shall be required to maintain such detailed accounts, records, bills and receipts that are necessary to prepare campaign statements and to comply with the Political Reform Act of 1974, as amended, the regulations of the Fair Political Practices Commission, this section, and any regulations of the City Ethics Commission.

2. Campaign disclosure statements shall be filed for the committee. Those statements shall contain separate summary pages and disclosure schedules for the officeholder expense fund and legal defense fund.

3. In addition to the campaign statements required by the Political Reform Act of 1974, as amended, and Los Angeles Municipal Code Section 49.7.11, the elective City officer or candidate shall file campaign statements for his or her officeholder expense fund and legal defense fund as follows:

(a) During a year when the elective City officer's name does not appear on a ballot for elective City office, the elective officer and the controlled committee for the officeholder expense fund and legal defense fund shall file quarterly campaign statements no later than April 30 for the period ending March 31, no later than July 31 for the period ending June 30, no later than October 31 for the period ending September 30, and no later than January 31 for the period ending December 31.

(b) During a year when the elective City officer's name appears on a ballot for elective City office, the elective City officer and the controlled committee for the officeholder expense fund and legal defense fund shall file all campaign statements in accordance with the schedule prescribed by the Political Reform Act of 1974, as amended, and Section 49.7.11. Upon assuming City office, the elected City officer shall immediately begin filing quarterly statements as required by subdivision 1 of this subsection.

4. Persons required to file disclosure statements for officeholder expense fund committees shall comply with the requirements of Section 49.7.11 D of this Code, except that there shall be no threshold dollar amount as a prerequisite to the filing obligation. In addition to any late filing penalties that may be imposed for a late filing of a paper copy pursuant to the California Political Reform Act or this Article, any person who fails to comply with the online filing requirement of this section will, in addition, be subject to an additional late filing penalty of \$25 per day after the deadline for the late filing of the online report.

## **F. Miscellaneous**

Except as expressly provided, nothing in this section shall be deemed to exempt any person or committee from complying with applicable provisions of any other laws.

B. No candidate for Controller who files a statement of acceptance of matching funds, nor any controlled committee of the candidate, shall make qualified campaign expenditures above the following amounts: \$900,000 for the primary election and \$676,000 for the general election.

C. No candidate for City Attorney who files a statement of acceptance of matching funds, nor any controlled committee of the candidate, shall make qualified campaign expenditures above the following amounts: \$1,013,000 for the primary election and \$788,000 for the general election.

E. For purposes of this section, primary election includes a special primary election and general election includes a special runoff election.

F. "Qualified campaign expenditure" means:

(1) Any expenditure made by a candidate for elective City office, or by a committee controlled by such a candidate, for the purpose of influencing or attempting to influence the actions of the voters for or against the election of any City candidate.

(2) A non-monetary contribution provided at the request of or with the approval of the candidate, officeholder or committee controlled by the candidate or officeholder.

(3) "**Qualified campaign expenditure**" does not include any payment if it is clear from the surrounding circumstances that it was not made in any part for political purposes.

**SEC. 49.7.14. Expenditure Ceilings Lifted.** *(Amended by Ord. No. 168540, 3/5/93.)*

If a candidate who declines to accept matching funds makes qualified campaign expenditures in excess of the expenditure ceiling, or if an independent expenditure committee or committees in the aggregate spend more than \$50,000 in the case of a City Council race, \$100,000 in the case of an election for City Attorney or Controller, or \$200,000 in the case of an election for Mayor, in support of or in opposition to any such

candidate, the applicable expenditure ceiling shall no longer be binding on any candidate running for the same office.

**Sec. 49.7.15. Notification by Non-Participating Candidate Regarding Expenditure Ceiling Amounts.** *(Amended by Ord. No. 175344; Eff. 8/16/03)*

A candidate who declines to receive matching funds shall notify the Ethics Commission by telephone and by confirming telegram, fax or e-mail on the day the candidate raises more than 100% of the applicable expenditure ceiling and again on the day the candidate spends more than 100% of the applicable expenditure limit; the Commission shall notify all other candidates for the same office by telephone, fax or e-mail within one business day.

**SEC. 49.7.16. Time Periods for Expenditures.**

For purposes of the expenditure ceilings, qualified campaign expenditures made at any time up to the date of a primary election shall be considered expenditures for that election, and qualified campaign expenditures made after the date of the primary election shall be considered expenditures for the general or runoff election. However, in the event that payments are made but the goods or services are not used during the period purchased, the payments shall be considered qualified campaign expenditures for the time period in which the goods or services are used. Payments for goods and services used during both periods shall be prorated.

**SEC. 49.7.17. Compliance Costs.**

*(Repealed by Ord. No. 171498, Eff. 3/8/97.)*

**SEC. 49.7.18. Candidate Acceptance or Rejection of Matching Funds.**

*(Amended by Ord. No. 175344; Eff. 8/16/03)*

A. At the time of filing his or her declaration of intention pursuant to City Election Code Section 321, each candidate shall file a statement of acceptance or rejection of matching funds. Within seven (7) days after the final filing date for such declarations, a candidate who had previously filed a statement of acceptance of matching funds may reject matching funds if another candidate for the same office has rejected matching funds, provided that the candidate returns to the City any matching funds payments received for that election. If a candidate agrees to accept matching funds, the candidate shall comply with the provisions of Section 49.7.13.

B. Each candidate shall notify the City Ethics Commission by personal delivery, telegram, fax or email on the day the candidate raises, spends or has cash on hand of more than \$50,000 in the case of a candidate for City Council, \$100,000 in the case of a candidate for City Attorney or Controller and \$200,000 in the case of a candidate for Mayor. The notification shall identify whether that amount was raised, spent or is cash on

hand. The Commission shall then so notify all other candidates for the same office.

C. Each matching funds participating candidate shall notify the City Ethics Commission by personal delivery, telegram, fax or e-mail on the day that the amount of the expenditure ceiling established for participating candidates in Section 49.7.13 has been raised, spent by the candidate or once the candidate has cash on hand in that amount. The notification shall be made within 24 hours of the date the amount has been reached.

**SEC. 49.7.19. Qualification Requirements.** *(Amended by Ord. No. 175344; Eff. 8/16/03)*

A. In order to qualify to receive matching funds in a primary nominating or special primary election, a candidate shall meet all of the following requirements:

1. The candidate and his or her controlled committee must receive contributions (other than contributions from the candidate or his or her immediate family) of at least \$25,000 in the case of a candidate for City Council, \$75,000 in the case of a candidate for City Attorney or Controller, and \$150,000 in the case of a candidate for Mayor. For purposes of this section, a candidate may receive a contribution up to the allowable contribution limits, but only the first \$500 in the case of a candidate for City Attorney, Controller, or Mayor, and the first \$250 in the case of a candidate for City Council, shall count toward the qualification threshold. Only contributions received within the time period before the election as specified in Section 49.7.7, or, if a special election, after the declaration of intention to solicit and raise funds is filed, may be counted for the above thresholds.

2. The candidate is opposed by a candidate running for the same office who has qualified for matching funds or who has raised, spent or has cash on hand of at least \$50,000 in the case of a candidate for City Council, \$100,000 in the case of a candidate for City Attorney or Controller and \$200,000 in the case of a candidate for Mayor.

3. The candidate contributes no more than \$25,000 for the election in the case of a candidate for City Council and no more than \$100,000 for the election in the case of any other candidate from his or her personal funds to the campaign.

4. Campaign contributions received after an election shall be eligible for matching funds if the contributions were received during the three month period after the election for the purposes of retiring debt incurred during the election campaign. The balance of any outstanding personal loan that is a contribution under Section 49.7.6 are not "debt" for the purposes of this section.

B. If the City Council has caused certificates of nomination to be issued by the City Clerk to the two candidates receiving the highest number of votes for any given office at the primary nominating election, the candidates shall be eligible in a general election to (1) receive matching funds in the amount of one-fifth of the amount of funds specified in Section 49.7.22 B, not subject to the requirements of Section 49.7.20 (matching funds formula), and (2) receive total matching funds up to the amount specified in Section

49.7.22, subject to the requirements of Section 49.7.20.

C. In order to qualify for matching funds, a candidate in a primary election must agree in writing to participate in at least one debate with his or her opponents, and a candidate in a general election must agree in writing to participate in at least two debates with his or her opponents.

D. For the purposes of Subsections A and B, a loan, pledge or a non-monetary contribution shall not be considered a contribution.

E. A participant may not receive a matching funds payment unless the participant, or his or her controlled committee, has filed all previously due campaign statements required by the Political Reform Act of 1974, as amended, and Section 49.5.15 of this Code, until all such statements are filed.

**SEC. 49.7.20. Matching Funds Formula.** *(Amended by Ord. No. 175344; Eff. 8/16/03)*

A. A candidate who is eligible to receive matching funds shall receive payments for contributions received from an individual (other than a contribution from the candidate or his or her family) on the basis of the following formula:

1. For the primary election: One dollar in matching funds for each dollar in contributions while a candidate is attempting to reach the threshold of Section 49.7.19 within twelve months before the date of the election, or if a special election, twelve months before the date of the election or after the candidate filed a declaration of intention to solicit and raise funds, whichever is later. Contributions which qualify for matching funds include: (i) for candidates for Mayor, City Attorney or Controller, only the first \$500 from an individual; (ii) for candidates for City Council, only the first \$250 from an individual.

2. Upon certification for the general election, each participating candidate shall receive a 1/5th grant of the amount of funds specified in Section 49.7.22 of this Code, not subject to the matching funds requirement detailed in Section 49.7.20 of this Code. The remaining 4/5ths of matching funds available to a candidate shall be provided to the candidate on the basis of the following formula: (i) for candidates for Mayor, City Attorney or Controller, one dollar in matching funds for each dollar in contributions received from an individual, up to the first \$500; or (ii) for candidates for City Council, one dollar in matching funds for each dollar in contributions received from an individual, up to the first \$250, during the periods in which the candidate was allowed to solicit and accept contributions.

B. For purposes of this section, a loan, pledge, or non-monetary contribution shall not be considered a contribution.

C. For purposes of this section, a candidate may receive contributions up to the

applicable contribution limit, but only the first \$500 of each contribution in the case of a candidate for Mayor, City Attorney or Controller, and the first \$250 in the case of a candidate for City Council, shall be matched.

**SEC. 49.7.21. Candidate Request for Payment.**

A. The City Ethics Commission shall determine the information needed to be submitted to qualify for payment of matching funds. The Commission shall certify each request for payment of matching funds. A candidate may not request less than \$10,000 in payments at any one time; provided, however, that in the 14 days preceding an election, a candidate may request \$1,000 or more in such payments at any one time.

B. Any candidate who knowingly or willfully makes a request for any payment of matching funds that is false, or who misrepresents the contributions received by him or her or by his or her controlled committee, is guilty of a misdemeanor and, if such is deemed appropriate under the circumstances shall be removed from office. Any candidate who knowingly, willfully or negligently makes a request for any payment of matching funds that is false, or who knowingly, willfully or negligently misrepresents the contributions received by him or her or by his or her controlled committee, shall return all matching funds received as a result of such request.

**D. General Election - Increased Matching Funds.** Any participating candidate who has qualified to receive matching funds in the primary election may qualify to receive total matching funds in the general election up to the following amounts: \$1,000,000 in the case of a candidate for Mayor; \$420,000 in the case of a candidate for City Attorney; \$360,000 in the case of a candidate for City Controller; \$150,000 in the case of a candidate for City Council when any of the following occur:

**E.** When a participating candidate becomes eligible to receive additional matching funds as provided in Subsection D, that candidate may receive matching funds from that point forward at the rate of three dollars in public funds for each eligible dollar in contributions received, up to the maximum amount allowed in Subsection D. Only the part of the claim that does not exceed the maximum amount shall be paid.

**SEC. 49.7.23. Payments to Candidates.** *(Amended by Ord. No. 175344; Eff. 8/16/03)*

The Controller shall make matching funds payments in the amount certified by the City Ethics Commission. Payments shall be made no later than four working days after receipt by the Commission. If the Commission determines the money available for matching fund purposes is not, or may not be, sufficient to satisfy the full entitlement of the eligible candidates, the Commission shall notify the Controller to withhold sufficient amounts, as determined by the Commission, as may be necessary to assure that each eligible candidate will receive a pro rata share of their entitlement. The amounts withheld shall be paid when the Commission determines that there is sufficient money to pay the amounts or portions of the amounts.

**SEC. 49.7.24. Contribution Limitations to Independent Expenditure Committees.**

Any person or committee who makes independent expenditures supporting or opposing a candidate shall not accept any contribution in excess of the amounts set forth in Charter Section 470 (c)(5).

**SEC. 49.7.25. Reproduction of Materials.**

Any person who reproduces, broadcasts or distributes any material which is drafted, printed, prepared or previously broadcast by a candidate or a committee controlled by such a candidate shall report such an expenditure as a non-monetary contribution to such candidate or committee.

**B. Contents of Notice.** The notification shall consist of a declaration specifying each candidate who was supported or opposed by the expenditure, the amount spent to support or oppose each candidate, whether the candidate was supported or opposed, and that the expenditure was not behested by the candidate or candidates who benefited from the expenditure. This declaration shall be made under penalty of perjury and signed by the person or officer and the treasurer of the group making the expenditure. In addition, the date and amount of the payment, a description of the type of communication for which the payment was made or incurred, the name and address of the person making the payment, the name and address of the payee, and a copy of the mailing or advertisement, or a copy of the script or recording of the call, transmission, or advertisement, shall also be provided to the Commission.

**C. Notification to Candidates of Expenditures.** City Ethics Commission staff will notify all candidates by phone, fax or e-mail in the affected race within one business day after receiving the notice of payments for independent expenditures and uncoordinated member communications of \$1,000 or more. The notification will indicate the candidate who was supported or opposed by the expenditure as indicated on the signed declaration and include a copy of the communication provided by the person or group making the expenditure.

**D. Additional Notification Required.** Any person that makes or incurs independent expenditures of more than \$10,000 in support of or opposition to a candidate for elective City office, and any person that makes or incurs one or more payments for member communications as defined by this article, totaling more than \$10,000 in support of or opposition to a candidate for elective City office shall notify the City Ethics Commission in accordance with the reporting schedule for the primary or general election

**E. Exemption for Regularly Published Newsletters.** For purposes of the notification required in Subsection A, payments by an organization for its regularly published newsletter or periodical, if the circulation is limited to the organization's members, employees, shareholders, other affiliated individuals and those who request or purchase the publication, shall not be required to be reported.

**F. Copies of Communications - Delivery to the City Ethics Commission and Disclosure of Communications.** Any committee, including but not limited to a candidate controlled committee and an independent expenditure committee, that makes or incurs payments for 1,000 or more recorded telephone calls or any other forms of electronic or facsimile transmission of substantially similar content, or that makes or incurs expenditures of \$1,000 or more for a radio or television advertisement, in support of or opposition to any candidate(s) for elective City office, shall send a copy of the script or recording used for each communication to the Ethics Commission within 24 hours of the first time the calls, transmissions, or advertisements are made or aired.

**SEC. 49.7.26.1. Behested Expenditures.** *(Sec. Added by Ord. No. 175344; Eff. 8/16/03)*

**A. Behested expenditures defined; effect of behested expenditures.**

1. An expenditure behested by a candidate or candidate's controlled committee is not an independent expenditure and shall be treated as a contribution to the candidate or committee that behests the expenditure.

2. A payment is behested if it is made:

(a) at the request or suggestion of the candidate, committee, or the candidate or committee's agent;

(b) in concert with, with the cooperation of, or in consultation with, the candidate, committee, or the candidate or committee's agent; or

(c) made under any arrangement, coordination, or direction between the candidate, committee, or the candidate or committee's agent.

3. An expenditure is behested without limitation under the following circumstances:

(a) active involvement or participation by a candidate in the creation or design of a communication financed by the spender, including consultation between the spender and the candidate about content;

(b) solicitation by the spender and/or provision by the candidate of materials specifically for use in the communication or procuring candidate's consent to include specific materials in the communication; or

(c) arranging with the candidate for preparation of any materials used in the communication.

**B. Presumption.** There is a rebuttable presumption that an expenditure is behested, and therefore not independent, if:

1. it is made by or through any agent of the affected candidate or member of the candidate's controlled committee in the course of his/her involvement in the current campaign;

2. in the election cycle during which the expenditure is made, both the spender or the spender's agent and the candidate on whose behalf the expenditure is made retain the same individual or entity to provide non-ministerial, campaign related professional services (non-ministerial, campaign related professional services include, but are not limited to: polling or other campaign research, media consulting or production, direct mail consultation, and fundraising);

3. the expenditure finances a communication that replicates, reproduces, republishes, distributes, or disseminates, in whole or substantial part, a broadcast, written, graphic, or other form of campaign material designed, produced, paid for, or distributed by the affected candidate, his or her committee, or agent;

4. the expenditure is based on information (i) about a candidate's campaign plans, projects, or needs not generally available to the public; or (ii) provided directly or indirectly by that candidate, committee, or their agents to the spender or spender's agent, with an express or tacit understanding that the expenditure was being considered;

5. the spender or spender's agent discusses or negotiates the content, timing, location, mode, intended audience, volume of distribution, or frequency of placement of a communication financed by the spender with the candidate whose election or nomination is advocated by the spender or whose opponent's defeat is advocated by the spender;

6. in the election cycle during which the expenditure is made, the spender or spender's agent is serving or has served in a formal executive, policy-making, or advisory position with the candidate's campaign or has participated in strategic or policy-making discussions with the candidate's campaign relating to that candidate's pursuit of nomination or election to office, and the candidate is pursuing the same office as a candidate whose nomination or election the expenditure is intended to influence;

7. the expenditure is made after a request to the spender or spender's agent by the candidate, the candidate's controlled committee, or their agents for an expenditure on the candidate's behalf; or

8. the expenditure is made in connection with or as a consequence of fundraising events or campaign activities co-sponsored by the candidate and the spender or the spender's agent.

**C. Exceptions.** An expenditure will not be deemed behested merely when:

1. a spender or spender's agent interviews a candidate on legislative or policy positions or issues affecting the spender or discusses campaign-related issues with the candidate, such as platforms, polling information, which organizations support the candidate and which support his/her opponent, or the identity of the consultants the candidate plans to hire, provided that prior to making a subsequent expenditure based on that information, the spender or his agent has not communicated with the candidate, candidate's controlled committee, or their agents concerning the expenditure;

2. the spender solicits and/or obtains a photograph, biography, position paper, press release, or similar material from the candidate, candidate's controlled committee, or their agents and, without the prior knowledge, control, or involvement of the candidate, candidate's controlled committee, or their agents, subsequently utilizes or incorporates that information to create a communication in support of the candidate or in opposition to his or her opponent;

3. the spender made prior contributions to the candidate;

4. the spender communicates to the candidate, the candidate's controlled committee, or the agent of either, the intent to make an independent expenditure without discussing any of the items mentioned in Subparagraph B 5 of this section;

5. a member of an organization that makes an expenditure renders volunteer personal services to or works for the affected candidate's campaign, unless the volunteer or campaign worker was also involved in the activities of the spender-

organization's political action committee or makes payments on behalf of the spender-organization, or is serving or has served the affected candidates' campaign in one of the capacities described in Subparagraph B 6 of this section;

6. the expenditure was made in response to an unsolicited request from political party leaders or their agents that the committee "support" the candidate or make an expenditure relating to the candidate;

7. the expenditure finances the cost of preparing or disseminating candidate evaluations to voters or conducting a political survey; or

8. the spender employs or is under contract with a political consultant or pollster who rendered services to a candidate in prior years.

**SEC. 49.7.26.2. Limitations on Certain Expenditures by Corporate or Union Treasuries.** *(Sec. Added by Ord. No. 175344; Eff. 8/16/03)*

**A.** No labor organization or for-profit business corporation may make a payment to expressly advocate the election or defeat of one or more clearly identified candidates for elective City office from the treasury of that organization or corporation.

**B.** This section does not prohibit a labor organization or for-profit business corporation from establishing a separate, segregated fund to be used for political purposes, or from making payments to that fund for the administration of the fund. A labor organization or for-profit corporation which has established such a fund may solicit contributions to that fund from its individual stockholders, officers, directors, employees, or members, and their spouses; and it may use money in the fund to make contributions or independent expenditures in connection with elections, including the election of Mayor, City Attorney, Controller, and Member of the City Council.

**C.** This section does not prohibit the publication or broadcasting of news items or editorial comments by any news or broadcast media.

**D.** For purposes of the prohibition of this section, payments from the treasury of a union for communications to its members and employees or a for-profit corporation for communications to its shareholders and employees that are not behested by a candidate shall not be prohibited.

**SEC. 49.7.26.3. Disclosure on Voter Communications.** *(Sec. Added by Ord. No. 175344; Eff. 8/16/03)*
