## PAUL KREKORIAN'S Campaign Against Christine Essel

**PAUL KREKORIAN'S** campaign against Christine Essel has gone too far. In his latest mailer, **KREKORIAN** depicts Essel hog-tied with her arms spread and hands held back by heavy rope. The image is sickening. But it's not surprising when you consider the following **FACTS**:

(Police Report, LAPD, North Hollywood Division, 11/21/09)

**KREKORIAN'S** campaign stole documents from Essel and "refuses to identify" how they were obtained. (Source: Los Angeles Times, KNBC-TV News)

**KREKORIAN** has repeatedly made wild claims against Essel, even blaming her for traffic in spite of the fact that she's never held public office before. Meanwhile as a State Assemblyman, **KREKORIAN** voted to cut over \$1 billion from transportation spending that would have synchronized traffic lights on major Valley streets. (Source: SB 79, 2007 Session)

**KREKORIAN** and his supporters have unleashed a shocking barrage of nasty, sexist and anti-semitic personal attacks on Christine Essel often referring to her as the "whore", "streetwalker", "pig" and "b\*&ch."

**KREKORIAN** has refused to condemn or distance himself from these outrageous statements. On the contrary, his scurrilous attacks and physical depictions of Essel in his mailers have served only to encourage this hateful behavior.

On December 8th, just **SAY NO** to Sacramento Politician **PAUL KREKORIAN**. He's not who you think he is.
