

Monica Garcia Canvass Script. 1.5.2017.

Hi! Is ___ home?

Hi ___, my name is ___, I'm a parent/youth volunteer with the Parent Teacher Alliance. I'm talking to neighbors today about my friend Monica Garcia, who is running for reelection for LA School Board on March 7th. Are you familiar with Monica?

As parent/student/volunteer, I'm volunteering for Monica because she always fights for students in our neighborhood— under her watch graduation rates have increased ten percentage points (to 72%) in LA, and students, especially English-Language Learners in East LA, have more great school options to choose from to fit their needs.

Can I count on your support for Monica Garcia on March 7th?

Fantastic! I'll circle back with you when you get your vote-by-mail ballot/before the election (*depends if they are PAV or not*) to make sure you don't have any questions.
