Note: Candidates in the runoff must file a campaign statement for their *primary* election committee each time a statement is filed for the *general* committee. All candidates, even those not in the general election, must continue to file statements after an election on a semi-annual basis until their committee terminates.

* The period covered by any statement begins on the day after the closing date of the last statement filed, OR January 1 if no previous statement has been filed.

*** The state Political Reform Act requires late contribution and late independent expenditure reports to be filed for the periods noted. Any late contribution or expenditure must be reported on the subsequent campaign statement filed.
