JOHN CHOI

PROVEN LEADERSHIP

John Choi has a history of standing up for the working families of our communities. He is committed to improving city services, creating good-paying jobs and fixing our transportation system.

Improved City Services

John will improve local government responsiveness leading to better streets, stricter code enforcement and new sidewalks.

Job Creation

John will make it easier for local businesses to thrive, allowing for expansion of quality jobs that offer living wages and fair working conditions.

Transportation Funding

John will push for comprehensive solutions to traffic congestion through investments in public transportation, repairs to existing highways and a study on ways to decrease high-volume traffic on existing streets.
