Lobbying Report: 3rd Quarter 2013

A. Introduction

The Municipal Lobbying Ordinance (MLO) regulates persons who receive compensation to lobby City officials. Los Angeles Municipal Code (LAMC) §§ 48.01, *et seq.* In LAMC § 48.01(B), the MLO makes several findings regarding lobbying activity, including the following:

1. Citizens have a right to know the identities of those who attempt to influence City decisions;
2. Public disclosure by lobbyists and their clients regarding their lobbying activities is essential to citizen confidence in the integrity of local government;
3. It is in the public interest to ensure that lobbyists do not misrepresent facts or their positions;
4. It is in the public interest to ensure that lobbyists do not place City officials under personal obligation to themselves or their clients.

To help ensure adequate and effective disclosure regarding efforts to lobby City government, lobbying entities are required to file quarterly disclosure reports. *See* LAMC §§ 48.01(B)(6), 48.08. This item summarizes information disclosed on the lobbying reports filed for the third quarter of this year.

B. Legal Background

1. Definitions

The MLO defines lobbying activity generally as compensated conduct related to communications with City officials that are designed to influence municipal matters. LAMC § 48.02. The lobbying entities that are regulated by the MLO include lobbyists, lobbying firms, and lobbyist employers.

A lobbyist is an individual who is compensated to spend 30 or more hours in a three-month period to engage in lobbying activities that include at least one direct communication with a City employee, including commissioners, that is designed to influence a City matter on behalf of another person. *Id.* A lobbying firm is an entity that is entitled to receive \$1,000 in compensation for engaging in lobbying activities on behalf of another person during a three-month period, if a partner, owner, shareholder, owner, or employee of the entity qualifies as a lobbyist. *Id.* A lobbying firm may be an individual lobbyist. Finally, a lobbyist employer is an entity that employs a lobbyist in-house to lobby on the entity's behalf. *Id.*

Certain persons are exempt from the lobbying regulations. These include the following: public officials and employees acting in an official government capacity; newspapers and other media outlets that publish editorials or paid advertising; a person whose only activity is bidding on a City contract; a 501(c)(3) organization created to provide services to indigent persons and that organization's employees when acting in the scope of that employment. LAMC § 48.03.

2. Registration and Reporting

Lobbyists and lobbying firms are required to register with the Ethics Commission on an annual basis. LAMC §§ 48.07(A)-(B). Registration is required within 10 days after the end of the month in which the qualification thresholds are met. LAMC § 48.07(A). Fees are charged for each year's registration: \$450 per lobbyist plus \$75 for each client from whom the lobbyist is entitled to receive \$250 or more in a calendar quarter. LAMC § 48.07(C).

Every lobbying entity is required to file quarterly disclosure reports once it or, for lobbyist employers, one of its employees qualifies as a lobbying entity. LAMC § 48.08(A)(1). They must continue to submit quarterly reports until registration is terminated, either voluntarily or automatically by virtue of the end of the calendar year. The disclosure reports must contain specific information, including the following:

- a. Each City agency that a lobbyist attempted to influence. LAMC §§ 48.08(B)(12), 48.08(C)(14).
- b. Each municipal matter that a lobbyist employer attempted to influence. LAMC § 48.08(D)(6).
- c. Total payments from clients to lobbying firms. LAMC § 48.08(C)(4).
- d. Total payments to lobbyists by lobbying firms and lobbyist employers. LAMC §§ 48.08(C)(7)(a), 48.08(D)(3).
- e. The elected City officials, candidates, or committees for which a lobbyist engaged in fundraising activity, as well as the dates of the activity and the amount of money raised. LAMC §§ 48.08(B)(7), 48.08(C)(9), 48.08(D)(10).
- f. Services provided by a lobbyist to a City candidate or ballot measure campaign or to the City under contract, as well as the amount of compensation received for those services. LAMC §§ 48.08(B)(10)-(11), 48.08(C)(12)-(13).

3. Prohibited Activities

Lobbying entities are prohibited from engaging in certain types of activity. They may not attempt to deceive City officials. LAMC §§ 48.04(B), (D). They may not place City officials under personal obligation to them. LAMC § 48.04(A). They may not create a municipal matter for the purpose of being retained to lobby on that matter. LAMC § 48.04(C).

Lobbyists and lobbying firms are also limited in certain financial activities. They may engage in fundraising, but they may not make campaign contributions to elected City officials, candidates, or committees if they are required to be registered to lobby the office the candidate holds or seeks. Los Angeles City Charter § 470(c)(11). And they may not make or act as an intermediary in the making of a gift to a City official. LAMC §§ 48.04(E), 49.5.10(A)(4)-(5).

C. Third Quarter Compliance

In the third quarter of this year, there were 353 registered lobbyists and 119 registered lobbying firms, which included 50 sole proprietorships. In addition, there were 65 lobbyist employers.

These 537 lobbying entities were required to file 487 disclosure reports for the third quarter (the 50 sole proprietor lobbyists were required to file a lobbying firm report but not a lobbyist report). A total of 485 reports (99.6 percent) were filed on time, and all third-quarter reports were filed within two days of the filing deadline. Late filing penalties totaling \$200 were collected in connection with the third-quarter filings.

D. Top 10 Highest Paying Clients

In the third quarter of 2013, there were 1,025 registered clients of lobbying entities. The clients who paid the most for lobbying services in the third quarter of 2013 are indicated in the following table, along with the descriptions of the projects for which the payments were made. F. Top 10 Fundraisers

Lobbying entities are also required to disclose their activities associated with money provided to City campaigns and officeholders. For example, they must disclose the total amount of fundraising that they engaged in for elected City officials, candidates, and committees.

Of the 537 third-quarter lobbying entities, 15 (2.8 percent) reported fundraising activity. All lobbying entities combined reported raising a total of \$81,080 in the third quarter of 2013.

The ten lobbying entities that raised the most money in the third quarter are identified in the table on the following pages. In total, they raised \$76,730, which is 95 percent of the total raised by all lobbying entities. The lobbying entities that reported the same dollar values were

co-hosts for fundraising events, and each co-host reported the total amount raised through those events.

G. Contributions

Lobbying entities must also report on a quarterly basis the contributions they make, deliver, or for which they act as intermediaries. A lobbying entity delivers a contribution for another person when the lobbying entity causes the contribution to be mailed or physically conveyed to the recipient.

A lobbying entity is an intermediary for a contribution when the lobbying entity makes the contribution, itself, on behalf of another party who then reimburses the lobbying entity. The identity of a person for whom a lobbying entity acts as an intermediary must be disclosed.

In the third quarter of 2013, four of the 537 lobbying entities disclosed making \$4,000 in contributions to City officeholders.
