Presenter: Mark Low, Lobbying Program Manager
A. Introduction

The Municipal Lobbying Ordinance (MLO) regulates persons who receive compensation to lobby City officials. Los Angeles Municipal Code (LAMC) §§ 48.01, et seq. In LAMC § 48.01(B), the MLO makes several findings regarding lobbying activity, including the following:

1. Citizens have a right to know the identities of those who attempt to influence City decisions;
2. Public disclosure by lobbyists and their clients regarding their lobbying activities is essential to citizen confidence in the integrity of local government;
3. It is in the public interest to ensure that lobbyists do not misrepresent facts or their positions;
4. It is in the public interest to ensure that lobbyists do not place City officials under personal obligation to themselves or their clients.

To help ensure adequate and effective disclosure regarding efforts to lobby City government, lobbying entities are required to file quarterly disclosure reports. See LAMC §§ 48.01(B)(6), 48.08. This item summarizes information disclosed on the lobbying reports filed for the 1st quarter of 2016.

B. Legal Background

1. Definitions

The MLO defines lobbying activity generally as compensated conduct related to communications with City officials that are designed to influence municipal matters. LAMC § 48.02. The lobbying entities that are regulated by the MLO include lobbyists, lobbying firms, and lobbyist employers.

A lobbyist is an individual who is compensated to spend 30 or more hours in a three-month period to engage in lobbying activities that include at least one direct communication with a City employee, including commissioners, that is designed to influence a City matter on behalf of another person. Id. A lobbying firm is an entity that is entitled to receive $1,000 in compensation for engaging in lobbying activities on behalf of another person during a three-month period, if a partner, owner, shareholder, owner, or employee of the entity qualifies as a lobbyist. Id. A lobbying firm may be an individual lobbyist. Finally, a lobbyist employer is an entity that employs a lobbyist in-house to lobby on the entity’s behalf. Id.
Certain persons are exempt from the lobbying regulations. These include individuals acting in an official government capacity, newspapers and other media outlets that publish editorials or paid advertising, persons whose only activity is bidding on a City contract, and 501(c)(3) organizations created to provide services to indigent persons and that organization’s employees when acting in the scope of that employment. LAMC § 48.03.

2. Registration and Reporting

Lobbyists and lobbying firms are required to register with the Ethics Commission on an annual basis. LAMC §§ 48.07(A)-(B). Registration is required within 10 days after the end of the month in which the qualification threshold is met. LAMC § 48.07(A). The fees for each year’s registration are $450 per lobbyist plus $75 for each client from whom the lobbyist is entitled to receive $250 or more in a calendar quarter. LAMC § 48.07(C).

Every lobbying entity is required to file quarterly disclosure reports once it or, for lobbyist employers, one of its employees qualifies as a lobbying entity. LAMC § 48.08(A)(1). They must continue to submit quarterly reports until registration is terminated, either voluntarily or automatically by virtue of the end of the calendar year. The disclosure reports must contain specific information, including the following:

a. Each City agency that a lobbyist attempted to influence. LAMC §§ 48.08(B)(12), 48.08(C)(14).

b. Each municipal matter that a lobbyist employer attempted to influence. LAMC § 48.08(D)(6).

c. Total payments from clients to lobbying firms. LAMC § 48.08(C)(4).

d. Total payments to lobbyists by lobbying firms and lobbyist employers. LAMC §§ 48.08(C)(7)(a), 48.08(D)(3).

e. The elected City officials, candidates, and committees for which a lobbyist engaged in fundraising activity, as well as the dates of the activity and the amount of money raised. LAMC §§ 48.08(B)(7), 48.08(C)(9), 48.08(D)(10).

f. Services provided by a lobbyist to a City candidate or ballot measure campaign or to the City under contract, including the amount of compensation received for those services. LAMC §§ 48.08(B)(10)-(11), 48.08(C)(12)-(13).

3. Prohibited Activities

Lobbying entities are prohibited from engaging in certain types of activity. They may not attempt to deceive City officials. LAMC §§ 48.04(B), (D). They may not place City officials under personal obligation to them. LAMC § 48.04(A). They may not create a municipal matter for the purpose of being retained to lobby on that matter. LAMC § 48.04(C).
Lobbyists and lobbying firms are also limited in certain financial activities. They may engage in fundraising, but they may not make campaign contributions to elected City officials, candidates, or their committees if they are required to be registered to lobby the office the official or candidate holds or seeks. Los Angeles City Charter § 470(c)(11). And they may not make or act as an intermediary in the making of a gift to a City official. LAMC §§ 48.04(E), 49.5.10(A)(4)-(5).

C. First Quarter Compliance

In the first quarter of 2016, there were 341 registered lobbyists and 117 registered lobbying firms, including 46 sole proprietorships. In addition, there were 74 lobbyist employers.

These 578 lobbying entities were required to file 532 disclosure reports for the first quarter (the 46 sole proprietor lobbyists were required to file a lobbying firm report but not a lobbyist report). A total of 525 reports (98.7 percent) were filed on time. Five lobbyists and two lobbyist employers filed reports past the deadline and paid $575 in related filing penalties. The tables in this report detail and summarize the information that was disclosed through all reports filed for the quarter.

D. Top 10 Highest Paid Lobbying Firms

Lobbying firms are required to report the total amount of payments they receive each quarter from the clients they represent. A total of $13,543,472 in payments from clients was reported by all lobbying firms for the first quarter of 2016.

The ten firms that reported the highest total payments from clients are identified in the table on the following pages. Each of the top ten firms reported receiving at least $350,000 from clients in the first quarter. Together, the ten firms reported receiving a total of $6,449,295, which represents 47.6 percent of all payments from clients reported by all lobbying firms for the first quarter of 2016.

#### E. Top 10 Highest Paying Clients

In the first quarter of 2016, there were 1,176 registered clients of lobbying entities. Lobbying firms are required to disclose the payments they receive from their clients and the projects associated with those payments. The clients that lobbying firms reported as having paid the most for lobbying services in the first quarter of 2016 are identified in the following table. Payments from clients with similar names and projects are aggregated as noted in the table.

Each of the top ten highest paying clients spent at least $115,000 during the quarter. Combined, their payments totaled $1,568,558 or 11.6 percent of the $13,543,472 total reported payments from clients.

### G. Fundraisers

Lobbying entities are required to disclose the fundraising they engage in for elected City officials, candidates, and committees. Of the 578 first-quarter lobbying entities, 18 (3.1 percent) reported fundraising activity, which totaled $124,046. A breakdown of the first-quarter fundraising activity as reported by these nine lobbyists and nine lobbying firms is provided in the table on the following two pages. Lobbying entities that reported identical amounts for the same candidate or officeholder may have served as co-hosts for the same fundraising event.

H. Contributions

Lobbying entities must also report on a quarterly basis the contributions they make or deliver or for which they act as intermediaries. A lobbying entity delivers a contribution for another person when the lobbying entity causes the contribution to be mailed or physically conveyed to the recipient.

A lobbying entity is an intermediary for a contribution when the lobbying entity makes the contribution, itself, on behalf of another party who then reimburses the lobbying entity. The identity of a person for whom a lobbying entity acts as an intermediary must be disclosed.

The making of certain contributions is prohibited. Los Angeles City Charter section 470(c)11 bans lobbyists and lobbying firms from making contributions to elected City officials, candidates, or their committees if they are required to be registered to lobby the City office the official or candidate holds or seeks. This ban does not extend to lobbyist employers.

During the reporting period, 12 lobbying entities (five lobbyists, five lobbying firms, and two lobbyist employers) reported delivering a combined $90,596 in contributions. These contributions are detailed in the table below, which continues on the next page.
