

City candidate and officeholder committees that raise or spend more than \$10,000 and Los Angeles Unified School District Board of Education candidate committees that raise or spend more than \$25,000 must file campaign statements and other documents electronically through the Campaign Electronic Filing System (CEFS). Each treasurer and candidate or officeholder must have a unique identifier (CEFS ID) and password, which are used in place of a physical signature. Electronic filings require a CEFS ID for both the treasurer and the candidate or officeholder. This form must be used to apply for a CEFS ID. An incomplete form may delay the issuance of a CEFS ID.
