BERNIE IMPERSONATOR

Sing with me if you know the words.

When we find ourselves in economic crisis,

Franklin Roosevelt comes to me...

Urging public banking...

Measure B.

When Wall Street institutions favor

The top 1% of 1% of 10% of 1%

Measure B.

Measure B, Measure B!

Measure B, Measure B.

A public banking option,

Measure B.

Everybody now...

Measure B, Measure B!

Measure B, Measure B.

A public banking option,

Measure B.

Thank you, thank you very much.

If anybody's got bus fare I've gotta get to the Amtrak station.
