Public Bank Los Angeles - #YesOnB Call to Action & Organizing Meeting!

We're 4 weeks away from Election Day! After our year-long campaign, public banking will be on the ballots this November! But it's going to take an unprecedented grassroots effort to pass Charter Amendment B and create the foundation for a Los Angeles public bank to put an end to Wall Street greed!

Join us this Thursday for a Yes on B Organizing Meeting at the Mercado la Paloma.

We'll share campaign updates and what still needs to be done. Lend your skills and talents to help create the nation's first city-owned bank!

Thursday, October 11th - 7pm to 9pm
Mercado la Paloma - Community Room #250
3655 S Grand Ave.
Los Angeles, CA 90007

If you can't make this meeting and would like to help, please fill out our **Volunteer Form** and we'll reach out!

Within the past 3 months, our incredible group of volunteer organizers have:

- Secured endorsements and slates from over 100 political, labor, social justice, environmental, community organizations and leaders, including: Senator Kevin de León, Los Angeles County Democratic Party, Eric Bauman - Chair of the California Democratic Party, Gayle McLaughlin - Former Mayor of Richmond, Bill McKibben - Co-Founder of 350.org, Our Revolution National, among many others!

Check out our **full list of Endorsements!**

- Text Banking! We joined forces with Our Revolution, and our team of text banking volunteers have just completed outreach to OR's list of Bernie voters in L.A.!
- **SAVE THE DATE:** We're organizing a #YesOnB **Defundraiser Event** at LA City Hall on Saturday, October 20th at 1pm featuring celebrity comedian and actor Eric Andre, journalist Abby Martin, Nick Thorburn, Mikal Cronin, and Bernie Sanders (James Adomain)!

Our grassroots movement to take on Wall Street has come this far without financing or infrastructure, but now with 4 weeks until November 6th, we need your help to spread the Yes on B message to as many voters as possible.

Join our fight and please **DONATE**

or **VOLUNTEER!**

This is an all hands on deck moment.

Join us in these critical last few weeks as we fight to take the power back from Wall Street and put it into the hands of the people. Thank you for the support and we hope to see you Thursday!
