3. Findings to continue teleconference meetings pursuant to AB 361.

Determination that the state of emergency due to the Covid-19 pandemic, as originally proclaimed by the Governor on March 4, 2020, remains active; that, consistent with findings made by the City Council on October 6, 2021, the Covid-19 pandemic remains a significant challenge in the City of Los Angeles, particularly in light of the highly contagious delta and omicron variants; that Covid-19 daily cases and community transmission remain high and, according to health experts, are likely to increase during the coming months because respiratory viruses spread more easily in the fall and winter months; that local officials continue to impose or recommend measures to promote social distancing; and that, in accordance with California Government Code section 54953(e)(3), the Ethics Commission has reconsidered the circumstances of the state of emergency and determines that the state of emergency continues to directly impact the ability of the commissioners to meet safely in person.

4. Adjournment.
