EXPENDITURE CEILING LIFTED IN CD 6 SPECIAL GENERAL ELECTION

The expenditure ceiling was lifted yesterday in the 2023 special general election for Council District (CD) 6. The general election will be held on June 27, 2023.

City law limits the total amount of expenditures that may be made by candidates who participate in the City's matching funds program. The expenditure ceiling in a particular race is lifted and no longer applies when a non-participating candidate in that race exceeds the expenditure ceiling or when independent expenditures in that race exceed a certain threshold.

For the CD 6 general election, the expenditure ceiling is \$515,000, and the independent expenditure threshold is \$99,000. The expenditure ceiling has been lifted in the CD 6 race, because independent expenditures have exceeded the threshold.

Additional information about candidate fundraising and spending, including disclosure reports and campaign communications, is available on the [Election Totals](#) page. Campaign activity and political communications may also be searched on the [Public Data Portal](#).

The [Ethics Commission](#) was created by Los Angeles voters in 1990 to impartially administer and enforce the City's governmental ethics, campaign financing, and lobbying laws.
